Objectives of Society

EFRIARC is organized and operated for the exclusive purpose of advancing the arts and sciences of heating, ventilation, air-conditioning, refrigeration, the allied arts and sciences and related human factors for the benefit of the public in general. To do so, it will:

- Diffuse knowledge in areas as HVAC&R;
- Create technical procedures;
- Encourage original research;
- Promote education and teaching;
- Promote personal and professional development of its members;
- Promote leadership in engineers of HVAC&R in the society.
