

**Name of Society**

- Society of Heating, Air-conditioning and Sanitary Engineers of JAPAN (SHASE)

Mailing Address

- 1-8-1 Kita-Shinjuku, Shinjuku-ku, Tokyo 169-0074, JAPAN

Phone and Fax

- Phone: +81-3-3363-8261
- Fax: +81-3-3363-8266

Email and Internet

- Email: sugiyama@shase.or.jp
- Website: <http://www.shasej.org/English/>

Society President

- Dr. Takashi Inoue

Chief Staff Person

- Atsushi Sugiyama

Official AASA Representative

- Tetsuya Maekawa

Number of Members

- 15,397

Objectives of Society

- Objectives of SHASE is to develop the science of building mechanical service system and environmental engineering including heating, ventilation, air-conditioning and sanitary engineering through:
 - Education: Organizing symposiums, technical meetings, training courses and technical tours.
 - Publication: Issuing journals, technical papers, research reports, etc.

- Research: Conducting, supporting and promoting research and investigation.
- Collaboration: Cooperating and collaborating with international relevant societies
- Standard: Setting HASS (Heating, Air-Conditioning and Sanitary Standard)
- Qualifying examination: Qualifying “Building Service Engineer” in Japan
- Awards: Giving prizes for contribution to the fields

Publications

- SHASE Monthly Journal
- Handbook of Air-Conditioning and Sanitary Engineering
- SHASE Standards
- Air-Conditioning and Sanitary Engineering Dictionary
- Practical Knowledge of Air-Conditioning
- Practical Knowledge of Plumbing System
- Elementary Knowledge of Air-Conditioning and Plumbing Systems
- Others

Conferences

- Annual Conference in September 2016 in Kagoshima
- General Assembly in May 2016 in Tokyo

Organization

- 7 branch offices, no sections, and a student forum

International Contacts

- ASHRAE
- AICARR
